

# CUSTOM STRUT & ROLL FORMING

## OD Strut Clamps

- Material: Carbon Steel
- Available Finishes:
  - PG: Pre Galvanized
  - YZ: Yellow Zinc Dichromate
  - HDG: Post Fabrication Hot Dip Galvanization
  - PC: Powder Coat
  - SS: Stainless 304 or 316 available upon request

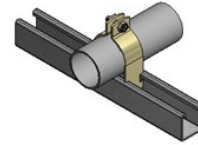

| Custom Strut Part # | Description           | O.D. Size<br>In. | Parts per<br>Box | Weight per<br>PC. LBS. |
|---------------------|-----------------------|------------------|------------------|------------------------|
| ODSC025-PG          | ¼" OD Strut Clamp     | 0.25             | 100              | .08                    |
| ODSC037-PG          | 3/8" OD Strut Clamp   | .037             | 100              | .08                    |
| ODSC050-PG          | ½" OD Strut Clamp     | .50              | 100              | .08                    |
| ODSC062-PG          | 5/8" OD Strut Clamp   | .625             | 100              | .09                    |
| ODSC075-PG          | ¾" OD Strut Clamp     | .75              | 100              | .10                    |
| ODSC087-PG          | 7/8" OD Strut Clamp   | .875             | 100              | .11                    |
| ODSC100-PG          | 1" OD Strut Clamp     | 1                | 100              | .14                    |
| ODSC112-PG          | 1-1/8" OD Strut Clamp | 1.12             | 100              | .13                    |
| ODSC125-PG          | 1-1/4" OD Strut Clamp | 1.25             | 100              | .16                    |
| ODSC137-PG          | 1-3/8" OD Strut Clamp | 1.037            | 50               | .16                    |
| ODSC150-PG          | 1-1/2" OD Strut Clamp | 1.5              | 50               | .16                    |
| ODSC162-PG          | 1-5/8" OD Strut Clamp | 1.625            | 50               | .17                    |
| ODSC175-PG          | 1-¾" OD Strut Clamp   | 1.75             | 50               | .28                    |
| ODSC187-PG          | 1-7/8" OD Strut Clamp | 1.87             | 50               | .28                    |
| ODSC200-PG          | 2" OD Strut Clamp     | 2                | 50               | .29                    |
| ODSC212-PG          | 2-1/8" OD Strut Clamp | 2.12             | 50               | .31                    |
| ODSC225-PG          | 2-1/4" OD Strut Clamp | 2.25             | 50               | .31                    |
| ODSC237-PG          | 2-3/8" OD Strut Clamp | 2.037            | 50               | .33                    |
| ODSC250-PG          | 2-1/2" OD Strut Clamp | 2.5              | 50               | .34                    |
| ODSC262-PG          | 2-5/8" OD Strut Clamp | 2.62             | 50               | .35                    |
| ODSC275-PG          | 2-3/4" OD Strut Clamp | 2.75             | 50               | .33                    |
| ODSC287-PG          | 2-7/8" OD Strut Clamp | 2.87             | 50               | .38                    |
| ODSC300-PG          | 3" OD Strut Clamp     | 3                | 50               | .38                    |
| ODSC312-PG          | 3-1/8" OD Strut Clamp | 3.12             | 50               | .39                    |
| ODSC325-PG          | 3-1/4" OD Strut Clamp | 3.25             | 50               | .41                    |
| ODSC337-PG          | 3-3/8" OD Strut Clamp | 3.037            | 50               | .43                    |
| ODSC350-PG          | 3-1/2" OD Strut Clamp | 3.50             | 50               | .45                    |
| ODSC362-PG          | 3-5/8" OD Strut Clamp | 3.62             | 25               | .53                    |
| ODSC375-PG          | 3-3/4" OD Strut Clamp | 3.75             | 25               | .56                    |
